

Ecological APPLICATIONS

OFFICIAL PUBLICATION OF THE
ECOLOGICAL SOCIETY OF AMERICA

Volume 5, 1995

Published Quarterly at Washington, D.C.
by the
Ecological Society of America

⊗ This paper meets the requirements of ANSI/NISO Z39.48-1992 (Permanence of Paper).

The Ecological Society of America

GOVERNING BOARD FOR 1995-1996

President:

GORDON H. ORIAN, University of Washington

President-Elect:

JAMES H. BROWN, University of New Mexico

Past-President:

JUDY L. MEYER, University of Georgia

Vice President for Science:

STEWART T. A. PICKETT, Cary Arboretum

Vice President for Finance:

LOUIS F. PITELKA, Electric Power Research Institute

Vice President for Public Affairs:

ANTHONY C. JANETOS, NASA

Vice President for Education and Human Resources:

ALAN R. BERKOWITZ, New York Botanical Garden

Secretary:

NANCY J. HUNTLY, Idaho State University

Members-at-Large:

SUSAN P. HARRISON, University of California, Davis

VIRGINIA H. DALE, Oak Ridge National Laboratory

MARY E. POWER, University of California, Berkeley

AIMS

THE ECOLOGICAL SOCIETY OF AMERICA was founded in 1915 for the purpose of unifying the science of ecology, stimulating research in all aspects of the discipline, encouraging communication among ecologists, and promoting the responsible application of ecological data and principles to the solution of environmental problems. Ecology is the scientific discipline that is concerned with the relationships between organisms and their past, present, and future environments. These relationships include physiological responses of individuals, structure and dynamics of populations, interactions among species, organization of biological communities, and processing of energy and matter in ecosystems.

MEMBERSHIP

Membership is open to persons who are interested in the advancement of ecology or its applications, and to those who are engaged in any aspect of the study of organisms in relation to environment.

The classes of membership and their annual dues for 1996 are:

DEVELOPED COUNTRIES

Regular member:

Income level	Dues
<\$30,000	\$38.00
\$30-60,000	\$58.00
>\$60,000	\$78.00

Student member: \$18.00

Life member: Contact Membership and Subscriber Services (see below)

Emeritus member: Free

Subscriptions to the journals are **not** included in the dues for *Regular*, *Student*, and *Emeritus* members. See below for membership subscription rates. *Regular* and *Student* members who do not wish to receive the BULLETIN may subtract \$5.00 from their membership dues.

DEVELOPING COUNTRIES

Special member - A (includes subscription to ECOLOGY) \$35.00

Special member - B (includes subscription to ECOLOGY + ECOLOGICAL MONOGRAPHS + ECOLOGICAL APPLICATIONS) \$50.00

Special members are those in developing countries. For this class of membership only, the membership dues and journal subscriptions are combined.

PUBLICATIONS

The Society publishes a bulletin and three journals. The BULLETIN OF THE ECOLOGICAL SOCIETY OF AMERICA, issued quarterly, contains announcements of meetings of the Society and related organizations, programs, awards, articles, and items of current interest to members. The journal ECOLOGY, issued eight times a year, publishes essays and articles that report and interpret the results of original scientific research in basic and applied ecology. ECOLOGICAL MONOGRAPHS is a quarterly journal for longer ecological research articles. ECOLOGICAL APPLICATIONS, published quarterly, contains ecological research and discussion papers that have specific relevance to environmental management and policy.

1996 subscriptions are available to ESA members as follows:

	Regular	Student		Regular	Student
ECOLOGY	\$60.00	\$45.00	ECOLOGICAL APPLICATIONS	\$35.00	\$30.00
ECOLOGICAL MONOGRAPHS	\$25.00	\$20.00	BULLETIN OF THE ECOLOGICAL SOCIETY OF AMERICA	Free to members	

Reduced subscription rates are available for *Emeritus members* (contact Membership and Subscriber Services—see below).

Application blanks for membership may be obtained from the Ecological Society of America, Membership and Subscriber Services, 2010 Massachusetts Avenue, NW, Suite 400, Washington, DC 20036, to which all correspondence concerning membership should be addressed. Checks accompanying membership applications should be made payable to the ECOLOGICAL SOCIETY OF AMERICA.
